Managed Care Review

Medicaid and CHIP Managed Care Reporting and Review System

How it works

-  **Sign in with IDM**
Sign in using your IDM credentials.
-  **Fill out form and upload documents**
Fill out the submission form and attach all relevant documentation.
-  **Receive an email confirmation**
After you submit, CMS will confirm receipt and start their review process.

Submit your managed care health plans to CMS for review

You can use MC-Review to submit Medicaid and CHIP managed care health plan contracts and rates to CMS. This portal accepts:

- Base contracts and amendments to base contracts
- Rate certifications and rate amendments
- Contracts related to Dual Eligible Special Needs Plans (D-SNPs) with Medicaid-covered benefits
- [Required supporting documents](#) related to the above

Not accepted by MC-Review at this time:

- State directed preprints
- Contracts without Medicaid-covered benefits
- Some submissions related to programs for dual-eligible beneficiaries, such as Programs of All-Inclusive Care for the Elderly (PACE), and dual demonstration contracts

Background

- MC-Review launched in 2023
- The online portal allows states to:
 - Enter contract and rate information into an online form
 - Upload all necessary documentation
 - Receive submission confirmation and review status
- Consistent with CMS's authority under 42 CFR § 438.3(a) to specify the form and manner of contract and rate certifications, beginning July 1, 2026, CMS will require that all Medicaid managed care contract and rate submissions transmitted to CMS after this date must use the MC-Review state portal.

Objectives & Impact

OBJECTIVES

Offer an efficient submission process, that:

- **Reduces administrative burden** for state & CMS staff
- Serves as a **transparent recordkeeping system**
- Standardizes the state submission process

IMPACT

Alleviate frustration for both state and federal staff, by:

- Reducing **review** and **approval** cycle times
- Streamlining **documentation** and **communication** related to submissions
- Providing a clear submission status

Key Benefits of MC-Review

Benefit 1 | TIME SAVINGS

States say MC-Review is easier and more intuitive to use than email, with MC-Review ease-of-use rated as 70% higher than previous submission process.

Benefit 2 | NO COVER SHEET

States do not need to complete a separate CMS cover sheet; all information will be entered directly in the online submission form.

Benefit 3 | FILE UPLOAD

States upload all documents directly into a centralized online portal, not through various emails. There are no file size restrictions.

States spend nearly **40% less time** on their submissions compared to email.

- States do not need to complete and upload a separate cover sheet; all information can be entered directly in the online submission form.
- States can upload all documents directly into the online portal, not through emails.

State users say **MC-Review is 70% easier** than the email submission process

What Can You Submit In MC-Review?
